2. Duck Blind on Lake Winnebago or nearby.
3. Cutting up several large willows and dead trees. Call if you have time!

### **JUSTINE'S HEALTH**

Jess has completed her stem cell transplant at Madison, and her recent tests show the transplant was very successful. She is now starting to resume normal activity and is back home at our house.

### **POND**

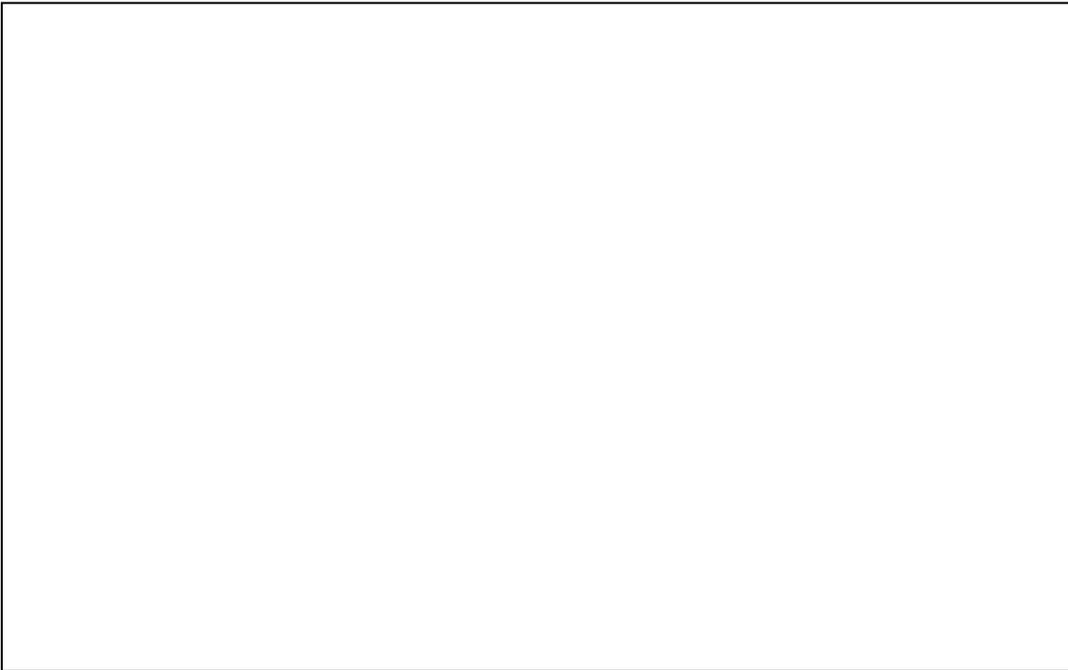

Fishing continues to be very good. New rocks have been placed along the edge. We will be installing a well and pump shortly so we can keep the pond full. For the past three years we have been renting a pump and taking water from the nearby ditch.

### **PHEASANT OPENING & RELEASES**

Release this year: September 30 – October 21 – November 11  
9 a.m. at the farm.

### **SPORTING CLAYS**

Thanks to Dennis Price we now have a boat for use on our sporting clay course. This course is to be used by reservation only and training is required if you want to use it. To date, Mark Wiechman is the only member to receive this authorization. A picture of Mark on the course is shown below.

### **NEW MEMBER WELCOME**

Mike Pfeilstiffer, Rodger Manock, Dave Barter, and Jeff Kippa are our new members.

### **WERNER MARSH AREA**

We will not be leasing the Werner Marsh Area anymore. Please make sure you stay out of their 10 acres on the southern end of our property.

### **ANNUAL DUES**

Many thanks for those of you who have paid this year's dues. For those that have not, please do so. They are due prior to April 1<sup>st</sup> of each year. If for some reason you will not be joining us, please let me know. Thanks!

### **TRAILS**

All of the trails are mowed and ready for use. We have a new trail starting in the woods by our house, which runs along both channels ending up by our boathouse.

### **NEW DOCK**

Thanks to Dennis Eckstein, we now have a dock on the channel 500 feet north of our home. You can use it for fishing or spearing carp.

### **COMMENTS OR SUGGESTIONS**

Your comments would be appreciated regarding having our dues on a two-tier basis. Those members assisting on work projects one day per year would pay the normal dues. All others would be at a premium to the regular dues. Please let me know.

### **BOUNTY**

Clarence Rennert is the only person authorized to trap, and he is having a good year. We are seeing a lot of fox and especially raccoons.

### **ORDERING PHEASANTS**

Remember the three-bird minimum per release. Cost is \$10 per rooster and the special release cost is \$13. Let me know your plans at our dinner meeting, call anytime, or return your order form.
