BOW HUNTING: Remember, you can shoot hens or roosters with a bow, starting September 1. Also, you can hunt on the east side of Hwy. 45 around the home farm to the cottage.

DOVE HUNTING: Opens September 1.

NEW MEMBER: Jacob Eagan. His hobbies are hunting of pheasant, deer, ducks, rabbits, fishing, dove and quail. He has been helping me place the large stumps in the pond, placing wire and brush in them and now we are waiting for them to become waterlogged and sink.

SIGHT-IN RANGE-Thanks to Dale Fisher we now have new boards on the target frame.

TRAIL MOWING - Thanks to Mike Smoody for many hours of mowing trails and mowing in between the tree rows in the CREP hunting areas.

ZWIFEL WOODS CLEARCUTTING -again, thanks to Mike for all his help here.

DUCK BLIND SIGN-UP LIST- will be here and at the Bull Pen for the use of the blind.

SLOT MACHINE-Many thanks to Gus Hollo for the Las Vegas style slot machine now at the Bull Pen. The kids sure enjoy playing with it. It is quite fancy with many bells and whistles, and it is currently taking slugs. We plan on converting it to quarters as soon as we receive the instructions. We will set the pay-back very high and use the balance as a fund raiser for bathrooms or something else.

NEW LOUNGE CHAIRS - at the Bull Pen. They are from Dick Nayes, many thanks for the beautiful chairs.

NEW MOWING MACHINE – Yesterday we purchased a Ferris Field and Brush Cutter, for mowing large weeds and brush that are very close to our trees and shrubs. The weed eaters were not heavy enough to handle the job. This machine is self-propelled, it is safe to operate, and if anyone wants to use it here for an hour or two-speak up. The small plants need your help. Yesterday I saw a pair of Wax Wings eating the berries on the Nannyberry Bushes.

SHEEP-HEAD AND / OR BUCK-UP TOURNAMENT-We would play with chips and the evening winner would win the pot, say \$5.00 each. Let me know if you have any interest.

JAZZ AND MORE- Joe Scheibinger and Janice Marie will be coming to the Bull Pen on the 29th of September for an evening of entertainment. Let me know if you want additional information and I'll forward it. They headlined the La Crosse Jazz Festival three weeks ago and it is the best music I have heard in a long time.

SPECIAL HUNTS-You should book them as soon as you have plans for some good dates are filling up.
